Subject: The Importance of Clarifying information the Company
Attention: President and Manager
The Stock Exchange of Thailand

Well, since May 19, 2023, the stock price of Beauty Community Public Company Limited "BEAUTY", has decreased by 30.84% or at the floor price of 0.74 baht per share. As a result, shareholders and investors have confidence.

The company would like to clarify that the company doesn't know the reason for the decline in the company's share price and from the fact that the company has followed various news. There is still no negative news about the company. Including the company continues to operate as normal in order to comply with the policies and plans set out. And would like to further clarify that the internal fundamentals of the company remain the same, nothing has changed significantly.

Please be inform accordingly,

Dr. Peerapong Kitiveshpokawat
Chief Executive Officer
